**Orbit and Oculoplastic conditions: Looking back and the journey ahead
What is best? What are the new frontiers?**

Dr Laskhmi Mahesh, MBBS, DNB

Visiting Consultant,
Sakra World Hospital,
Nethradhama Super Speciality Eye Hospital
Bangalore, India

Introduction by Prof Calvin Pang

Moderator : Prof Hunter Yuen

Date : 17th February 2022 (Thursday)

Time : 17:45 – 18:30

Dr Lakshmi Mahesh, currently a Visiting Consultant at Sakra World Hospital and Nethradhama Super Speciality Eye Hospital, Bangalore, India, has been an Orbit and Oculoplastic Surgeon for the last 28 years. She was a Consultant at Manipal Hospital, Bangalore, for 14 years. Earlier, she served as Head of the Department of Orbit and Oculoplasty at Sankara Nethralaya, Chennai, for 15 years starting from her post-graduate training. She was instrumental in starting the Orbit and Oculoplasty Services at both these hospitals. She has been Observer at various prestigious eye institutions abroad. Website: www.eyeplasticsurgeryindia.com

She was a Visiting Scholar to the Chinese University of Hong Kong and has trained doctors in Hong Kong and China. She has presented numerous papers, lectures and conducted instruction courses in International and National meetings. She has trained National and International fellows. She was one of the first to start Endoscopic DCR surgery in India. Has served as the General Secretary and as President of the Oculoplastic Association of India (OPAI). Recipient of AIOS APOS Santosh Honavar Award, AIOS 2015. Sujatha Savithri Rao Award for the Best paper in Orbit & Oculoplasty and the prestigious FAICO from AIOS. She is also a Reviewer for many Ophthalmology Journals and Subspecialty Society Representative for Indian Journal of Ophthalmology (IJO).
